I will check back in with Royan about that later today – initially, I thought this required a quick response and had the same understanding - that it needed to be elevated - but last week he said it may not be so urgent.

Our follow-up conversation is May 25, which is a lot farther out that I think we wanted, but was the only time I could find that worked on everyone's calendars.

I'm not sure yet. Still waiting for a response to my email. Stay tuned. Do you have a sense for timing on preparing the response to the correspondence? I'm concerned

Sure – just sent an invite. Do you want me to invite the person from OPP? If so, can you please just let me know who RD is?

Thanks!
Robin
